Dear Mr. Imanah Usman,

**RE: LETTER OF APPRECIATION FOR DONATIONS OF FRISKA BABY CEREAL**

We wish to express our immense appreciation to your management for your monthly donation of ten cartons of Friska baby cereal products to our organization.

This generosity has greatly helped to adequately cater to the nutritional needs of our ever teeming baby population consisting mainly of the indigent ones in the community.

It has been a delight, partnering with your organization and we look forward to a continued relationship.

Thank you.
